

2011 Fall Leaf Pickup Schedule & Map

Starting Monday, September 26, 2011, through Wednesday, November 23, 2011, the City of Tipton will be doing its annual Fall Leaf Pickup.

As a reminder, residents are asked to rake the leaves into a pile or windrow them behind the curb, but **NOT INTO THE STREET OR GUTTER**. Any pile containing non-leaf debris (garden clippings, grass, sticks or branches or other foreign objects) **WILL NOT BE PICKED UP**. Vehicles parked on the street should be moved out of the way so the vacuum leaf collector can reach the piles of leaves.

A schedule and map for leaf pickup is included below and is also posted at City Hall and in the Tipton Conservative newspaper. Residents are encouraged to call City Hall if they have piles of leaves ready to be picked up but are outside the regularly scheduled zone. Names will be placed on a first-come, first-served list and will be picked up as time permits.

If you should have any questions concerning this process, please contact the Tipton Public Works Department at 886-3953.
