Warranty Information:

The City of Tipton Electric Department makes no warranties, expressed or implied, with respect to equipment operation, material, workmanship or manufacturing. Tipton Electric Department does not guarantee that a certain level of energy or cost savings will result from the use of products covered by this program.

Limitation of Liability:

Participating Customers agree that the City of Tipton's liability, in connection with this Program, is limited to paying the Program Incentive specified (when all Terms and Conditions have been satisfied by the customer). Under no circumstances shall the City of Tipton be liable for any consequential or incidental damages resulting from participation in this Program.

Other Program Rules:

City of Tipton Electric Department reserves the right to inspect installations before issuing the rebate. If the application does not comply with the Program's rules and qualifications, the rebate amount may be adjusted.
