

## **NOTICE OF CONSTRUCTION TIPTON, IOWA**

Please be advised construction work will begin on the  
**NORTH AVENUE RECONSTRUCTION** project on:

**June 6, 2022**

The North Avenue Reconstruction project will include replacement of damaged curb followed by removal of the roadway surface and construction of a new concrete street. In order to shorten the duration that residents are affected by this work, it was designed to be constructed in three phases.

- Phase 1 – from 13<sup>th</sup> Street to 10<sup>th</sup> Street along North Avenue.
- Phase 2 – from 13<sup>th</sup> Street north to the end of the cul-de-sac on North Avenue.
- Phase 3 – from E 13<sup>th</sup> Street and E 11<sup>th</sup> Street from Highway 38 to North Avenue.

The Contractor has indicated that they prefer to construct Phase 2 first followed by Phase 1 and will finish with Phase 3.

We recognize that this situation will be an inconvenience to residents involved, and we thank you in advance for your cooperation and patience during the construction process.

If you have any questions or concerns during construction, please contact:
