RESOLUTION 040521A

RESOLUTION SETTING A PUBLIC HEARING REGARDING THE LIBRARY EXTERIOR STAIR REPLACEMENT PROJECT 2021

WHEREAS, the Library Board and City Council of the City of Tipton wish to pursue an Exterior Stair Replacement Project (Project) on the west side of the Library Building, a public hearing shall be conducted as follows:

The public hearing will be held at 5:30 P.M. on April 19, 2021, at the Council Chambers, Fire Station, 301 Lynn Street, Tipton, Iowa, in accordance with the provisions of Chapter 384, Code of Iowa. The City of Tipton reserves the right to reject any and all bids. At said hearing any interested person may appear and file objections thereto or to the cost of the improvements. At the hearing, the City will receive and consider any objections made by any interested party, to the Plans and Specifications, proposed contract, and the estimate of cost for the project. The work to be done is generally located on the west side of the Library Building at 206 Cedar Street.

AND, WHEREAS, while the Project qualifies for the "competitive quote" method of project letting, this public hearing is being offered, nonetheless; and

WHEREAS, the Bidding Instructions and the Project Plan Sheets are available to the public at Tipton City Hall; and,

WHEREAS, since the Project Engineer's estimated construction cost ranges between \$25,000 to \$45,000, the City's letting process will require the successful bidder to provide a performance bond and a payment bond.

NOW, THEREFORE, Be It Resolved, the City Council of the City of Tipton does hereby set Monday, April 19th at 5:30 p.m. at the Tipton Fire Station, 301 Lynn Street as the public hearing's date and location.

PASSED AND APPROVED this 5th day of April 2021.

	Bryan Carney, Mayor	
ATTEST:		
Amy Lenz, City Clerk		

CERTIFICATION

I, Amy Lenz	z, City Clerk, do hereby certify the above is a true and correct copy of
Resolution	which was passed by the Tipton City Council this 5 th day of April 2021.

Potential Change Order 005

Dear Mr. Brian Wagner,

Per RFI #13, we are proposing the following:

- Leave approximately 40' of the lagoon outfall pipe from the outfall structure and intercept at the toe of the lagoon berm Continue the same horizontal and vertical alignment as indicated on the plans from that location.
- Subcontractor Credit \$9,104.20
- Woodruff 5% OH&P \$455.21

Our total credit is \$9,559.41.

When this potential change order is signed by the Owner and a copy is returned to the contractor, approval of change(s) is effective IMMEDIATELY and we will proceed with the change(s) described above. Approved changes will be included in a future contract change order. If you require additional clarification, please contact me. Thank you for your prompt response.

Sincerely,

CO 3 Description:

Plan sheet SP-03 shows replacing 18" lagoon outfall pipe from the lagoon outfall structure and replacing with new pipe. We are proposing to intercept the existing 18" pipe at the toe of the lagoon berm approximately 40' from the outfall structure and continue at the same horizontal and vertical alignment as indicated on the plans. This change will maintain the integrity of the berm as well as providing a cost savings to the owner.

Contract Time Extension

Dear Mr. Bryan Carney:

Woodruff Construction is writing this letter to formally request a contract time extension via change order. Per EJCDC Contract Agreement Article 11 Subparagraph 11.05-B "An adjustment of the Contract Times shall be subject to the limitations set forth in Paragraph 4.05, concerning delays in Contractor's progress." Woodruff notified The City of Tipton and McClure Engineering in writing on Monday, January 4th, 2021 that delays may be possible due to the act of God beyond the control of the contractor due to COVID-19. Woodruff has provided monthly updates on weather related delays at the progress meetings. During the project Woodruff has kept daily logs electronically on a project management software called Procore. The delays due to COVID-19 and the abnormal winter weather conditions have caused delays in progress in work. Woodruff is writing this letter to request a formal change order to extend the contract by 72 calendar days to extend the substantial completion to June 11, 2021 and the date of final completion extended 31 days past substantial to July 12, 2021. The days have been calculated based on the following instances.

The 24" and 12" valves were approved August 25, 2020 and ordered at the beginning of September. All of the valves were expected mid-January based on the 18 week lead time. As of March 10, 2021, the information from the factory has (9) 12" plug valves expecting to ship 3/17. The remaining 12" plug valves expecting to ship 3/31. The 24" are expected to ship 4/15. The factory has relayed that they do not have all the materials for the second shipment of 12" valves or the 24" valves and there is potential for further delay. The entire system cannot be connected until the 24" valves are installed. These delays are from limited production based on Covid-19 related restrictions, policies and shut downs through-out the country with contributing parts to the valves.

Weather delays have been provided monthly. In the month of February, Woodruff was not able to work two weeks due to extreme temperatures. Between November, December and January, there were another two weeks of weather delays due to extreme snow fall, rain or ice.

Event	Lost Days
12" and 24" Valve Delay	72
Extreme Temperatures – 2/8, 2/9, 2/10, 2/11, 2/12, 2/15, 2/16, 2/17	8
Extreme Snow fall, rain or ice – 11/10, 11/24, 11/25, 12/11, 12/14, 12/15, 12/29, 12/30, 1/26, 2/4	10
	90

Although the sum of total lost days is 90 Woodruff is only requesting a time extension on the contract of 72 calendar days. This is assuming no future delays due to the ongoing COVID-19 pandemic or abnormal weather patterns.

Respectfully,

Emily Nelson, Project Manager WOODRUFF CONSTRUCTION

Dear Mr. LeFleur,

The plug valves on the above referenced order are scheduled to ship complete by 4/15/21 with several partial shipments made before this date. The April ship date is based on the delivery of the Rotork manual gearboxes. Rotork is stating they are unable to expedite the gearboxes because of material delays caused by COVID-19.

RE: Tipton, IA – Wastewater Treatment Plant Improvements 2018

SUB: Notice of Potential Delay

Dear Mr. Bryan Carney:

Per the construction contract between Woodruff Construction and the City of Tipton dated 6/2/2020, Woodruff is writing this letter as a notice in writing of an epidemic beyond control of the contractor due to the Covid-19 pandemic. Woodruff Construction is currently continuing to work on site but delays in the project resulting from worker shortages and material delivery delays are a possibility, but unknown at this point in time.

Per EJCDC Contract Agreement Article 4 Subparagraph 4.05-C, Woodruff considers this delay to be that outside the control of the Owner, Contractor, or all those for which we are responsible, and should be considered a severe and unavoidable epidemic.

The duration of the potential delays is currently unknown but Woodruff Construction will be documenting construction progress daily and keeping a log of lost work time due to this pandemic situation.

Respectfully,

Emily Nelson, Project Manager WOODRUFF CONSTRUCTION

AGENDA ITEM: Sand Volleyball Courts – Tipton Park

ACTION:

Motion

SYNOPSIS:

Last June, Jen Johnson passed away and loved the game of volleyball. She wanted to have some nice sand volleyball courts in Tipton park. Dusty, her husband, approached me a while back wanting to put in two new sand volleyball courts and would donate to have the entire project funded. One court will be just west of the batting cage, west of the aquatic center and the other will be located north west of the aquatic center and east of the middle baseball diamond.

Volleyball equipment such as poles, nets, boundary lines, antennas would all be purchased, concrete for the lights and poles will be donated by RDS, labor for the lights would be donated by Roth Electric and excavating for both courts would be by Chris Schultz with Weaver's.

Every year in the second weekend of June, Dusty would like to have a volleyball tournament in his wife's name. All proceeds will go to the Jen Johnson's memorial scholarship and that would be for a High School student that is majoring in Mathematics or pursuing a collegiate volleyball career.

I wanted to inform the council and receive approval for this project.

I will be online for council meeting if you have any further questions as well as Dusty Johnson.

RESOLUTION ADOPTING THE CEDAR COUNTY MULTI-JURISDICTIONAL LOCAL HAZARD PLAN

WHEREAS, the City of Tipton, Iowa recognizes the threat that natural hazards pose to people and property within our community and that undertaking hazard mitigation actions will reduce the potential for harm to people and property from future hazard occurrences; and

WHEREAS, the U.S Congress passed the Disaster Mitigation Act of 2000 (Act) emphasizing the need for pre-disaster mitigation of potential hazards and making hazard mitigation grants available to state and local governments; and

WHEREAS, an adopted Local Hazard Mitigation Plan (Plan) is required as a condition of future funding for mitigation projects under multiple FEMA pre- and post-disaster mitigation grant programs and the City of Tipton fully participated in the hazard mitigation planning process to prepare this Plan; and

WHEREAS, the Iowa Homeland Security and Emergency Management Division and the Federal Emergency Management Agency Region VII have reviewed the Plan, and approved it contingent upon the City's official adoption of the Plan and its goals.

NOW, THEREFORE, BE IT RESOLVED that the City of Tipton, Iowa adopts the "Cedar County Multi-Jurisdictional Local Hazard Mitigation Plan" as an official Plan.

BE IT FURTHER RESOLVED that the City Council approves the submittal of this Resolution to the Iowa Homeland Security and Emergency Management Division and Federal Emergency Management Agency Region VII to enable the Plan's final approval and that the Mayor and City Clerk are authorized to sign documents on the City's behalf that fall under the scope of this Resolution's intent.

AGENDA ITEM:

Discussion and possible action concerning finalization of the bonding

process for the General Obligation Corporate Purpose Loan

agreement

ACTION:

Motion to Approve, Deny or Table

SYNOPSIS:

In July 2020, the City held a public hearing for the GO bond for the fire truck purchase. The total cost of the fire truck was \$537,191. In November 2021, a resolution was passed approving an internal loan from the Electric Department to the Fire Department to pay for a portion of the Fire Truck. This bonding process will repay that internal loan.

Brian, Maggie Burger with Speer Financial and myself met with the Finance Committee on 3/29/21 to discuss the bonding process and if the City should proceed finalizing the bond process for just the purchase amount of the fire truck (\$537,191), or if the City should proceed finalizing the bond process for the full amount of the bond (\$2,000,000).

As a reminder, the scope of the bond was "\$2,000,000 for the purpose of paying the costs, to that extent, of constructing street, sidewalk, sanitary sewer, storm water drainage and water system improvements and acquiring vehicles and equipment for the municipal fire and emergency response departments."

After much discussion, the Finance Committee recommended to borrow the full \$2 million for the GO bond. Some of the reasoning for that recommendation included:

*Saving on the Cost of Issuance which could range between \$20,000-\$24,000 each time a portion of the unused \$2,000,000 was needed.

*Invest the unused portion of the \$2,000,000 into a CD or separate account to accrue interest while it is not needed.

*The City would have at least 24 months to spend the unused portion on other projects. Some examples of projects that these funds would be eligible for include, N. Ave pavement project, HWY 38/IDOT project just to name a few.

To proceed with the issuance of the \$2,000,000 bond, the following timeline would need to be followed:

AGENDA ITEM:

*May 3, 2021: APPROVE THE PRELIMINARY OFFICIAL STATEMENT (Resolution provided by Bond Counsel)

*May 17, 2021: BOND SALE AND AWARD (Resolution provided by Bond Counsel and Speer plans to attend this meeting virtual or in person)

*June 7, 2021: AUTHORIZING/ISSUANCE PROCEEDINGS (Resolution provided by Bond Counsel)

*June 22, 2021: BOND CLOSING (Day that City will receive Bond Proceeds--No meeting required)
