Re:

Approval of Receiving DNR Grant

Please find the attached DNR Grant Award letter for your approval. This will purchase 42 trees from the Tipton Greenhouse which will be planted on the ROW areas of town on April 22. This will be a Saturday event, which will involve a little different group of kids and adults. There will also be some group leader education prior to the actual planting date.

On another note. Hopefully, you have received the e-mail notification pertaining to the latest Tree City USA Award. With a lot of help from community volunteers and local service club support, it is very easy to met the qualifications for this award. Thanks to everyone who helps the City of Tipton to replace and maintain our trees.

The Grantee, its employees, agents, and contractors shall comply with all applicable federal, state, and local laws, rules, ordinances, regulations and orders when performing the work under this Grant Agreement. Nothing in this Grant Project Cooperative Agreement shall obligate the Department to or preclude the Department from making additional funds available to the Grantee or its affiliates, including any maintenance costs.

The Grantee specifically agrees, in compliance with the provisions of 571 Iowa Administrative Code section 34.12, that the Grantee will maintain the trees planted on public lands as a part of this project for a period of ten years.

- <u>7. AMENDMENTS</u>. This Grant Project Cooperative Agreement may be amended only by written agreement of the parties, which is signed by the Department Director, or designee, and an authorized official of the Grantee. Requests for amendments shall be directed to the Coordinator named in 4a, above.
- **8. EFFECTIVE DATE/TERMINATION.** This Grant Agreement shall become effective upon signature by both parties and shall terminate on July 14, 2023. All work specified in the project proposal shall be completed by no later than July 14, 2023. The Department may terminate this Grant Project Cooperative Agreement upon notice to the Grantee in the event the Grantee fails to comply with any provision of this Grant Project Cooperative Agreement. If an item is purchased at more than \$5000 that item will be considered ineligible and no percentage of it will be reimbursed. If the completed Project Billing Certification documentation is not received by DNR by July 14, 2023, the grant will be canceled and upon cancellation this Grant Project Cooperative Agreement will be null and void.
- 9. AVAILABILITY OF FUNDS: The Department shall have the right to terminate the Grant Project Cooperative Agreement without penalty if, in the Department's sole discretion, adequate funds are not appropriated or granted to allow the Department to operate as required and to fulfill its obligations under this Grant Project Cooperative Agreement or funds are de-appropriated; if funds are de-appropriated, reduced, not allocated, or receipt of funds is delayed, or if any funds or revenues needed by Department to make any payment hereunder are insufficient or unavailable for any other reason as determined by the Department in its sole discretion; if the Department's authorization to conduct its business or engage in activities or operations related to the subject matter of this Grant Project Cooperative Agreement is withdrawn or materially altered or modified; if the Department's duties, programs or responsibilities are modified or materially altered; or if there is a decision of any court, administrative law judge or an arbitration panel or any law, rule, regulation or order is enacted, promulgated or issued that materially or adversely affects the Department's ability to fulfill any of its obligations under this Grant Project Cooperative Agreement.
- 10. INDEMNIFICATION; LIMITATION OF LIABILITY: The Grantee agrees to indemnify and hold harmless the State of Iowa and the Department, its officers, employees and agents appointed and elected and volunteers from any and all costs, expenses, losses, claims, damages, liabilities, settlements and judgments, including reasonable value of the time spent by the Attorney General's Office, and the costs and expenses and reasonable attorneys' fees of other counsel required to defend the State of Iowa or Department, related to or arising from the Grantee's acts or omissions pursuant to this Grant Project Cooperative Agreement. Indemnification obligations of the Grantee shall survive termination of this Grant Project Cooperative Agreement. Nothing in this Grant Project Cooperative Agreement shall be construed to create joint or several liability of a party hereto for the acts, omissions or obligations of the other party. Every person who is a party to the Grant Project Cooperative Agreement is hereby notified and agrees that the State, the Department, and all of their employees, agents, successors, and assigns are immune from liability and suit for the Grantee's and its subcontractors' activities involving third parties arising from the Grant Project Cooperative Agreement.
- 11. JOINT AND SEVERAL LIABILITY. If the Grantee is a joint entity, consisting of more than one individual, partnership, corporation or other business organization, all such entities shall be jointly and severally liable for carrying out the activities and obligations of this Grant Project Cooperative Agreement, and for any default of activities and obligations.

- 12. RIGHT TO REVIEW AND OBSERVE; ACCESS TO RECORDS. The Department shall have the right to review and observe, at any time, completed work or work in progress related to the Grant Project Cooperative Agreement. The Grantee shall permit the Department or its agents to access and examine, audit, excerpt and transcribe any directly pertinent books, documents, reports, papers and records of the Grantee relating to orders, invoices, or payments or any other documentation or materials pertaining to this Grant Project Cooperative Agreement. Upon the request of the Department, the Grantee shall deliver to the Department or its agents said documentation or materials.
- 13. PUBLIC RECORDS; RECORDS RETENTION. All records submitted to or inspected by the Department regarding this Grant Project Cooperative Agreement, including this Grant Project Cooperative Agreement, shall be public records and subject to the Open Records Law in Iowa Code chapter 22. All records of the Grantee relating to this Grant Project Cooperative Agreement shall be retained for a period of three (3) years following the date of final payment or completion of any required audit, whichever is later.
- **14. GOVERNING LAW.** This Grant Agreement shall be interpreted in accordance with the law of the State of Iowa, and any action relating to the Grant Project Cooperative Agreement shall only be commenced in the Iowa District Court for Polk County or the United States District Court for the Southern District of Iowa.
- 15. COMPLIANCE WITH LAWS. The Grantee agrees that, during the duration of and as a condition of the state's duty to perform under the terms of this Grant Project Cooperative Agreement, it will be in compliance with all applicable laws and regulations of the state and federal government, including but not limited to Equal Employment Opportunity provisions, Occupational Health and Safety Act, minimum wage requirements, records retention, audit requirements, and allowable costs.
- 16. ASSIGNMENT AND DELEGATION. The Grantee may not assign, transfer or convey in whole or in part this Grant Project Cooperative Agreement without the prior written consent of the Department. For the purpose of construing this clause, a transfer of a controlling interest in the Grantee shall be considered an assignment. The Grantee may not delegate any of its obligations or duties under this Grant Project Cooperative Agreement without the prior written consent of the Department.
- 17. REPAYMENT OBLIGATION. In the event that any funds are deferred or disallowed as a result of any audits or expended in violation of this Grant Project Cooperative Agreement or the laws applicable to the expenditure of such funds, the Grantee shall be liable to the Department for the full amount of any claim disallowed and for all related penalties incurred. If the Department determines at any time, whether through monitoring, audit, closeout procedures or by other means that the Grantee has received grant funds or requested reimbursement for costs which are unallowable under the terms of this Grant Project Cooperative Agreement or applicable laws, the Grantee will be notified of the questioned costs and given an opportunity to justify questioned costs prior to the Department's final determination of the disallowance of costs. If it is the Department's final determination that costs previously paid by the Department are unallowable under the terms of the Grant Project Cooperative Agreement, the expenditures will be disallowed and the Grantee shall immediately repay to the Department any and all disallowed costs. The requirements of this paragraph shall apply to the Grantee as well as any subcontractors or subrecipients.
- 18. WAIVER. Except as specifically provided for in a waiver signed by duly authorized representatives of the Department and the Grantee, failure by either party at any time to require performance by the other party or to claim a breach of any provision of the Grant Project Cooperative Agreement shall not be construed as affecting any subsequent right to require performance or to claim a breach.

19. INTEGRATION. This Grant Project Cooperative Agreement, including the Grantee's proposal dated (date) and the Derecho Community Forestry Grant Program Description and Instructions, contains the entire understanding between the Grantee and the Department and any representations that may have been made before or after the signing of this Grant Project Cooperative Agreement, which are not contained herein, are nonbinding, void and of no effect. Neither of the parties has relied on any such prior representation in entering into this Grant Project Cooperative Agreement.

Re:

General Obligation Corporate Purpose Bonds, Series 2023

Dear Brian:

I am writing to explain our role as Bond Counsel for the City's proposed General Obligation borrowing. It is our understanding that the City will issue General Obligation Corporate Purpose Bonds (the "Bonds") in the approximate principal amount of \$3,500,000 into the municipal bond market through a competitive sale to be facilitated by Speer Financial, Inc., the City's municipal advisor (the "Municipal Advisor").

As Bond Counsel, it is our responsibility to provide legal representation to the City with respect to the authorization of the issuance of the Bonds. In serving the City as Bond Counsel, we will prepare appropriate resolutions, notices, agreements, filings and closing certificates, consult with the Municipal Advisor, and undertake such additional duties as we deem necessary to help the City through this transaction. At closing of the Bond issue, assuming the proper conditions are in place, we will deliver our Bond Counsel opinion that (1) the Bonds are valid and binding general obligations of the City, and (2) the interest paid on the Bonds will be excluded from gross income for federal income tax purposes.

In performing our services as Bond Counsel our sole client in this matter will be the City of Tipton. We will not represent any other party in this financing and it is mutually understood that the services to be provided by us as described herein are solely for the benefit of the City of Tipton.

It is important to note that we have <u>not</u> been engaged to serve as "disclosure counsel" to the City, which would cover in-depth legal work with respect to securities law regulations related to the Bonds and the official statement which will be drafted to facilitate their sale. This means that while we will review and comment on the portions of the official statement that are pertinent to our role as Bond Counsel (particularly tax related matters, state law authority related matters and collateralization related matters), we will <u>not</u> engage in a due diligence process to (i) investigate the accuracy of financial data contained therein, or (ii) to discover any bond holder risks that are unknown to us. Furthermore, we will <u>not</u> be giving a legal opinion with respect to any aspects of the official statement. Please be aware that we are available to provide these

Page 2

additional services should the City desire to expand the scope of our representation. Please let me know if you would like to discuss this.

Based upon: (i) our current understanding of the terms, structure, size and schedule of the financing, (ii) the duties we will undertake, (iii) the time we anticipate devoting to the project, and (iv) the responsibilities we assume, we estimate that our fees and expenses for legal services as Bond Counsel will be \$14,000. We typically bill for our services after closing of the Bond issue, but we reserve the right to bill for the value of our time invested in the representation if closing has not occurred by November 1, 2023.

After this arrangement is approved on behalf of the City, please have this letter executed in the space below and email an executed copy to lemke.susan@dorsey.com. If you have questions, please call me.

We look forward to working with you. Thank you for the opportunity to serve the City.

Best regards,	
An -

Regarding the City-owned property at 1011 Cedar Street...

I'm sending this to the four parties that responded to the City's "Request for Proposals" (or RFP) concerning your interest in the Cedar Street property. The City Council tabled a decision on the lot's future until it meets on March 20 at the Fire Station at 5:30 p.m.

The Council didn't offer any guidance on how its members will come to a decision. In lieu of the that, we will allow time on the March 20 meeting agenda for those of you that wish to speak to the Council about your proposal.

Again, if you wish, you can use the allotted time to, for example:

- --Re-state your proposal.
- --Clarify your proposal in case you feel that some aspect of it was misunderstood.
- -- Answer questions that might be posed about your proposal.
- --Modify or enhance your proposal (since the RFP left the door open to negotiating what the proposals might do or include.)
- --Make your case for why your proposal meets the RFP's stated goal of an outcome "that best suits the interests of the citizens of Tipton."

The Council's meeting packet for March 20 will be emailed on March 17. We will include the RFP responses that were already submitted. But, if anyone would like to have us enclose any other supporting material, please provide us with that material by March 16. Or, alternatively, you can provide the Mayor and Council with copies of your information at the March 20 meeting.

If you have any questions, please feel to contact me.

Thanks, Brian

- 9.) The agreement will include provisions to ensure the developer's compliance to the terms of the agreement. Examples of such provisions will include, but not be limited to the following:
 - a.) A description of the proposed project, with enough detail to ensure that both parties have a clear understanding of the project and "expectations". If the project involves renovation of the existing structure or demolition of the existing structure and construction of a replacement structure, some form of written plans/drawings/specs would be helpful, and to the extent they exist would be appended to the agreement.
 - b.) A detailed timeline, outlining steps to be taken with proposed/estimated start and completion dates.
 - c.) Terms defining "compliance"/"failure to comply/breach" and remedies of the parties in that event.
 - d.) Terms related to price, closing, possession, taxes and other terms typical or standard regarding the purchase of property.
 - e.) Itemized list of cost estimates for improvements that are proposed for the subject property.
- 10.) The proposed sale of City-owned real estate requires that the City schedule and hold a public hearing before entering into a binding purchase agreement. After receipt and review of all RFP's, the Council will discuss and then schedule a Public Hearing on the proposed sale of this property.
- 11.) Questions about the RFP process can be directed to Brian Wagner, City Manager, at 563-886-6187 or citymanager@tiptoniowa.org
- 12.) You must complete the next section on the next page (Request for Proposals: 1011 Cedar Street) and return it with your proposal:

This property is next door to my home. This property has special meaning to me. My good friend, Matt Barnum, and I have cleaned up and mowed the yard for the last 13 years at no cost to the City of Tipton. Matt recently passed away and I want to continue with the vision that we shared to make this a beautiful green space, an extension of my property. Please approve my proposal.

1011 Cedar Street Bid USD: \$7500

My plan is to start the complete demolition of the named property. Demolition would start immediately after possession (within 30 days). I own or have access to all the equipment needed to do this job. The house and all its contents inside will be hauled off sight and burned (shingles and asbestos will be disposed of properly). Any and all metal will be scrapped.

The shed on the North West corner of the property will also be taken down. The foundation will be dug out and hauled away. There is a cistern in the backyard that I will dig out and fill in with dirt. The tree on the south side of the property will be taken down and removed. The small sidewalk running East/West will also be taken out and hauled away. I will leave the row of arborvitae trees on the north side of the property. All demowork will be done within 120 days of ownership.

Once all the demolition is complete, the water will be shut off at the curb stop (which it already is). I will leave a blue stake marking water, a green stake marking the capped off sewer, and a yellow stake marking capped off gas. I am willing to dig up the gas service for shutoff purposes if the city is willing to cap it off. Dirt will be hauled in and packed until the lot is level. Black dirt will be hauled in and used to hit my final desired grade. It will be seeded down with grass seed at the end of the project.

After 120 of ownership the house will be gone, the lot will be cleaned up, and ready for market. I will list the lot for sale immediately after completion. I will maintain (mow, rake, snow removal) the lot for <u>2 years</u>. If it doesn't sell within 2 years, I will start the process and pull the proper permits to construct a new house that I will rent out once completed.

My Qualifications

I have worked for the city for 7 years, anyone in the gas, electric, or public works departments knows my operating skills and know I am more than capable to get this done. I have torn down multiple houses in other cities (Iowa city and Cedar rapids) in the past.

City Responsibilities

- I ask that the City unhook the electrical service from the house
- I ask that any unwanted dirt from public works projects be hauled there
- I ask that the city cap the gas service underground (that I will dig up) I already talked to the gas dept. about this.
