N

Scale:

On approximately October 1st, 2020, the City of Tipton will be doing its annual Fall Leaf Pickup. The format will be same as last year. NO leaf pick-up days will be scheduled. We will begin in Zone 1 then move on to Zone 2 then to Zone 3, Then begin again. We will post what Zone we are currently working in at City Hall, on the City of Tipton Facebook page and on the City of Tipton Website. The truck will be out 5 days of the week, weather permitting. The heavier the leaf drop the longer it will take to get through the Zone and onto the next.

As a reminder, residents are asked to rake the leaves into a pile or windrow them behind the curb, but **NOT INTO THE STREET OR GUTTER**. Any pile containing non-leaf debris (garden clippings, grass, sticks or branches or other foreign objects) **WILL NOT BE PICKED UP**. Vehicles parked on the street should be moved out of the way, so the vacuum leaf collector can reach the piles of leaves.

If you should have any questions concerning this process, please contact City Hall at 886-6187.
