

WHAT'S NEW WITH LESSONS??

Private Lessons: Due to the popularity of JKFAC's organized private swim lessons summer sessions, we have added sessions to our indoor season line up! Now swimmers who are more comfortable with one-on-one instruction can learn all year round! Spots will fill up quickly!! Sign up now!

One-On-One Lessons: With everyone's busy schedule, we have added One-on-One lessons back into our lineup! Choose the time and day of your private lesson and we try to accommodate. Registration forms and details can be found on the city website or at the aquatic center!
