### PARENT-TOT CLASS:

This is a fun class for children at least 9 months old with a parent or caregiver. This class introduces infants and toddlers to the water with the support of a parent to learn basic water safety and beginner swimming skills while parents are taught how to help their child become comfortable in the water. Any child who needs the safety and comfort of an adult while in the water may attend, including disabled children and children who are not yet ready for group lessons. One adult per child is required to be in the water and participate in the class. All infants while in the water must wear a water diaper. All adults participating are encouraged to be positive and supportive.
