Dear Mr. Wagner:

I have contacted Elaine Chao, Secretary of the U.S. Department of Transportation, regarding the Better Utilizing Investments to Leverage Development (BUILD) Grant Program application the City of Tipton is submitting for the Highway 38 Improvements Project. I asked that this application be given all due consideration. Should I receive any specific information regarding this application from the U.S. Department of Transportation, I will relay the necessary information to you.

Thank you for allowing me to be of assistance to you. If you have any further questions regarding this, or any other federal matter, please do not hesitate to contact me again.

Sincerely,

Charles E. Grassley
